

## 90 Second Update

Greetings to you on this cool sunny day. I am still waiting for summer but I guess by now, it will be next year before we see any summer weather here in Ontario. What happened to those "lazy, hazy, dog days of summer"?

This will be a short one as we are heading out today for a couple of weeks and would appreciate prayer.

We are going over to Orangeville to our youngest daughter's (Cindy) and her family for a couple of days as Marg and Cindy want to go to Mary Maxim's down in Paris, ON tomorrow.

Thursday will see us winging our way down to Pastor Rodger and Linda McCready's for a couple of days of great fellowship and game playing. Unfortunately, even though both of us couples have moved to new locations, it has not improved the gaming situation and Rodger and I have a defeated streak that is years old! (yes, I said defeated - not proud but at our age, who cares - it is fun playing - is that not what people say? It is more important to play than to win! Says who??)

Anyway, then we head to Sheridan, Illinois for a few days of rest and then back to Holland, Michigan for 3 days with the International Board meetings of Christian Mission Aid. Always a great time we spend time in prayer, reporting, reviewing, planning and strategizing for the future of CMA over the next year(s). CMA is an amazing ministry that Marg and I have been involved in since back in the 80's in Kenya, East Africa. If you wish to know more about them, there will

be brochures available in the lobby of the church or speak to Pastor Adam Hodgins.  
You can check them out at <http://www.cmaid.org>

Once we return to Canada on the 10th, we will join the Canadian Board of CMA for our biannual meetings at Victory Baptist Church and then on Sunday, Sept 17th, our CMA Board Chairman from Kenya, Edwin Kiptinness, will be sharing in the morning service at VBC.

God bless you all and thanks for your prayers, support and encouragement.

In the joy of knowing and sharing Jesus

Doug & Marg
