

IGNITE

Ignite is a Youth Church which meets every term time Sunday in St Pauls Church/Hall 6.30-8.30pm (during the building work on the hall which will be happening until Easter we will be in the church every week). It is open to anyone in school years 7-13.

Each week we explore in different ways what it is to have a relationship with God and what it means to have a faith in the real world. Some of the ways we do this is through worship, praying, discussions in small groups and socialising with each other.
